Section 2 - Unit Description

All full-time classified (36 and 52-week) office and technical support staff employees of the St. Louis Community College, excluding faculty, administrators, confidential employees, professional employees, supervisors, security officers, college police officers, and all employees covered by the existing Resolution concerning the physical plant bargaining unit now represented by Stationary Local No. 2, International Union of Operating Engineers, AFL/CIO, as such staff positions were certified by the Missouri Board of Mediation in Public Case No. 77-018.

In the event that any provision of this Resolution is held to be contrary to the law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provisions shall be void and inoperative, but all other provisions of this Resolution shall continue in effect. In such event the bargaining

representative and designee of the College Administration shall meet, confer and discuss action to be taken relative to the invalidated article, section or portion.

ARTICLE VI. MANAGEMENT RIGHTS

The conduct of the affairs of the College and the management of its personnel and operations, including the right to hire, suspend or discharge for cause, or to transfer, to promote or demote, and the right to relieve employees from duty because of lack of work or for other legitimate reasons, is vested exclusively in the College and its Board of Trustees, except to the extent provided in this Resolution.

Section 2

A Unit employee who applies for and is awarded a promotion to a Unit position in a higher salary range shall be placed on a step in the new salary range which provides for at least a ten percent (10%) salary increase. But in no case shall the employee's salary exceed the maximum for the new range.

Section 3

All new Unit employees will normally be placed at the minimum salary for the assigned range. Based upon evidence of experience and/or competencies beyond the minimum required for the position, initial placement shall consider internal equity in compensation and may be at a step above the minimum of the range not to exceed ten percent (10%) above the minimum. In all cases, placement shall be on a step on the salary schedule.

Section 4

If a particular 36-week position is changed to a 52-week position by the College, the incumbent employee in the 36-week position shall be given the first opportunity to be placed in the new position. If, however, the incumbent declines this opportunity, the 52-week position will be filled in accordance with the provisions of section 1 of this Article and the employee will be treated in accordance with Article XII.

ARTICLE IX. POSITION CHANGES

Section 1

- a. When in the judgment of the administration a significant change in the responsibility of an individual or classification has occurred, the College

may reclassify the individual or position to a higher, lateral or lower range/classification.

- b. When the affected employee is moved to a higher range/classification (by reassignment or reclassification), he/she will receive an increase in salary which places him/her at his/her appropriate salary step in the new range, but under no circumstances will the employee's new salary exceed the maximum of the range to which he/she is assigned.
- c. When the affected employee is moved laterally, he/she shall suffer no loss in salary.
- d. When the affected employee is moved to a lower range/classification, he/she shall suffer no loss in salary.

Section 2

Reclassification is the act of changing a position and/or range of an employee or position to correct improper placement; the act of changing a position and/or range of an employee who is performing the work of a higher, lateral or lower classification.

- a. Whenever a Unit employee has completed a Proposed Position Description Guide form after having discussed a reclassification review with his/her supervisor, the supervisor shall upon receipt of the form from the employee process the form and forward it within ten (10) working days to the next appropriate management level.
- b. Affected employees will be notified in a timely manner of the results of the classification review process.

Section 3

Any employee who believes his/her position and/or range is misclassified through consistent overt acts of supervisors shall have recourse to the grievance procedure. All grievances concerning classification shall be initiated at the Step 3 level of the grievance procedures.

Section 2 - Probationary Period

The probationary, or working test, period shall be regarded as an integral part of the examination process, and shall be utilized for closely observing the employee's work, for determining the most effective adjustment of the employee to his/her position, for reviewing with the employee his/her performance, and for terminating any new employee whose performance does not meet the required work standard. During the probationary work period a new employee shall have no recourse to the grievance procedure.

Section 3 - Change In Status

Permanent employees who have changed status shall be considered probationary in their new position for thirty (30) calendar days. Probation for change of status employees shall only pertain to the decision to retain, or not retain, that employee in his/her new position. Any change of status employee who is not successful in a new position shall be returned to his/her position prior to change of status, provided said position is vacant. In the event that the position is filled, the employee will be placed in an equal or lower classification provided a vacancy exists and the employee is qualified for the vacant position. They shall be placed on a list which will be maintained by the College for consideration for suitable

vacancies for one (1) year after said funds are not approved or accepted. The College reserves the right to hire the best qualified applicant for each vacancy.

- b. Employees who before July 1, 1980 were hired into or who elected to transfer into projects which are externally funded shall retain their seniority and be considered for continuation of employment when said funds are no longer approved or accepted by the College, subject to any existing "waiver of rights" having been signed by the employee.

ARTICLE XXII. GRIEVANCES

Section 1 - Adjustment

Employee grievances shall be settled by peaceful means as provided in this Resolution, with good faith efforts made to resolve grievances at the earliest possible step. The union agrees that it will not engage in, instigate or condone a strike, work stoppage, or other interruption or impeding of work on the part of any employee for the duration of this resolution and will abide by applicable law, and the College agrees that it will not engage in a lock-out during such period. Should any difference arise between the College and any employee as to the meaning or application of this Resolution or Board Policy and Administrative Procedures as they apply to the welfare of unit employees, said grievance shall be settled through the grievance procedure.

Section 2 - Definitions

A "grievance" is defined as an alleged violation, misinterpretation or improper application of the terms and conditions of this Resolution of Board Policy and Administrative Procedures as they apply to the welfare of unit employees. A grievance shall be in written form and contain the following information:

- a. Date and nature of the grievance, location, job classification and employee involved, section(s) and paragraph(s) of this resolution or Board Policy or Administrative Procedures under which the grievance is entered.

- b. Remedy sought.
- c. Date of submission.

A "grievant" is defined as any employee or employees filing a grievance. Multiple grievances filed simultaneously over a common occurrence or event may be processed in a joint action.

Section 3 - Extension of Time

The time limits provided in the grievance procedure may be extended only by mutual written consent of the parties.

Section 4 - Days Defined

Days as referred to throughout the grievance procedure shall be working days but shall not include Saturdays, Sundays, or holidays recognized by this Resolution.

Section 5 - Advancement/Termination of Grievances

Grievances not appealed within the prescribed time limits will be considered settled on the basis of the last decision made by the College and shall not be eligible for further appeal. The aforesaid shall not apply if the time limits are extended by mutual written consent of the parties.

Section 6 - Reprisals

No reprisals of any kind shall be taken by the Board or by any member of the Administration against an employee because of his/her participation in the grievance procedure.

Section 7 - Termination Grievances

Employee grievances concerning termination of employment will be initiated at the Step 3 level of the grievance procedure.

Section 8 - Initial Filing Level

The initial filing of the grievance should occur at the lowest appropriate administrative level at which a recommendation or action has been initiated or occurred leading to the grievance.

ARTICLE XXIII. GRIEVANCE PROCEDURE

If a grievance arises, it will be resolved through the procedure described below. However, this procedure does not preclude prior discussions between an employee and his/her supervisor to resolve the difference.

Step 1

- a. A grievance, to be timely, must be submitted to an employee's immediate supervisor within ten (10) days of the occurrence giving rise to the grievance, or within ten (10) days of the date on which the employee should have reasonably known of such occurrence.
- b. Within five (5) days of the initial presentation of the grievance, there shall be a conference between the employee and his/her immediate supervisor and a union representative.
- c. The employee's immediate supervisor will issue a written response to the employee, with copies to the Human Resources Department and the Union, with-in three (3) days following the conference.
- d. If the employee is not satisfied with the response issued and wishes to proceed with his/her grievance, he/she must give written notice of such intent to the appropriate College Dean or Director within three (3) days of receipt of the response or within six (6) days of the Step 1-b conference if no response is given by the College.

Step 2

- a. Within three (3) days following receipt of written notice, the College Dean or Director, or his/her designee, will conduct a conference with the employee and his/her immediate supervisor and a Union representative.
- b. Within three (3) days following the conference, the College Dean or Director, or his/her designee, will issue a written response to the employee with copies to the Union and the Human Resources Department.
- c. If the employee is not satisfied with the response received and wishes to proceed with his/her grievance, he/she must give written notice of such intent to the College President or Vice Chancellor within three (3) days following receipt of the response or within six (6) days of the Step 2-a conference if no response is given by the College.

Step 3

- a. Within three (3) days following receipt of written notice from the employee, the College President or Vice Chancellor, or his/her designee, will conduct a conference with the employee and a Union representative.

- b. Within three (3) days following the conference, a written response will be issued by the College to the employee with copies to the Union and the Human Resources Department.
- c. If the employee is not satisfied with the response, and wishes to proceed with his/her grievance, he/she must give written notice of such intent to the Director of Human Resources within three (3) days of receipt of the response or within six (6) days of the Step 3-a conference if no response is given by the College.

Step 4

- a. Within three (3) days following receipt of written notice from the employee, the Director of Human Resources and/or his/her designee will conduct a conference with the employee and a Union representative.
- b. Within three (3) days following the conference, a written response will be issued by the College to the employee, with a copy to the Union.

Step 5

If the employee is not satisfied with the decision received at Step 4-b, the employee may exercise one of the following alternatives. All grievances may be appealed using alternative a. Grievances involving dismissal may be appealed using alternative b only with the written mutual consent of the Chancellor.

- a. The employee may submit an appeal in writing to the Board of Trustees within three (3) days from the receipt of the response or within six (6) days of the Step 4-a conference if no response is given by the College. With this appeal shall be included a copy of the original grievance, the decisions previously received under this procedure, and such other statements or information which the employee deems relevant.

The Board will consider the grievance at its next regularly scheduled executive session and take such appropriate steps to review the grievance that it deems advisable, which may in the Board's discretion, include providing the employee with a hearing at the earliest practicable executive session of the Board. However, when a grievance would otherwise constitute a contested case as defined by section 536.010(2) RSMo, the Board of Trustees will conduct a hearing on the grievance. The Board will notify the employee and the Union of its decision, in writing, at the conclusion of its action.

- b. The employee may request the naming of an independent advisory fact-finder only for those grievances concerning dismissal and only with the written consent

of the Chancellor to utilize this alternative. Such a request must be made in writing to the Board at the time of filing of the appeal set forth in subparagraph "a" of Step 5, and within the time limits there specified. The employee and the Chancellor, or his/her designee, shall attempt to find an impartial fact-finder who is mutually acceptable. In the event that they cannot agree on a mutually acceptable fact-finder, they shall jointly contact the Federal Mediation and Conciliation Service to obtain a panel of seven (7) potential fact-finders from which to select one to serve. The Chancellor, or his/her designee, and the employee shall select a fact-finder from such panel by alternately striking names from such a list or panel, with the last name being the fact-finder chosen to serve.

The fact-finder shall hold a hearing within a reasonable time after being appointed, but in no event more than twenty (20) working days from appointment. The hearing shall be held on a date and time as agreed upon by the employee, the College, and the fact-finder, or, if no agreement can be reached, as specified by the fact-finder.

The fact-finder shall issue an advisory recommendation, in writing, no later than twenty (20) days from the end of the hearing. Said advisory recommendation shall include findings of fact and separate conclusions and recommendations. The fact-finder shall limit the advisory recommendation strictly to the application and interpretation of the provisions of the Resolution and shall be without power or authority to make recommendations:

1. contrary to, or inconsistent with, or modifying or varying in any way terms of the Resolution; or
2. limiting or interfering in any way with the powers, duties and responsibilities of the College and its Board of Trustees under applicable law.

At its next regularly scheduled meeting, the Board, in executive session, will consider the grievance and the advisory recommendations of fact-finder. The Board may accept (in whole or in part), modify or reject the fact-finder's recommendatory finds of fact and conclusions.
